Do Not Disturb

Eugen Nica - 2020-06-30 - [W60Guide](#)

Stop your phone from ringing and send all incoming calls directly to voicemail.

1. Press the **OK** key.
2. Select > **Do Not Disturb**.
3. Use the left/right arrow keys to enable/disable DND.
4. Press the **OK** key.

   Your phone logs any missed calls in your call history.
