Pair Your Handset(s)

Eugen Nica - 2020-06-30 - [W60Guide](#)

Pair your handsets to your base station.

About this task:

- This base is compatible with the Yealink W52H, W53H, and W56H cordless handsets and with the CP930W DECT conference phone.
- Up to eight handsets can be paired with this base station.

1. Press the **OK** key.
2. Select **Settings > Registration > Register Handset**.
3. Select the **Base**.
4. Press the **OK** key and then enter the **Pin** `0000`
